

EXPLORE AFRICA AND THE *Spirit of the Horse*

Ride the Mind Clinic and Horseback Safari to Explore the Soul of Africa

Out in Africa Encounters and Remuda International have created a partnership to bring a unique opportunity to the global equestrian community

Paul Rogers' Ride the Mind Clinics teach the physiology and psychology of riding and interacting with your horse. The morning class is followed by a ride to the bush camp for a sumptuous lunch. Afterward riders will have the opportunity to apply their new skills while enjoying a horseback safari in South Africa's Entabeni Safari Conservancy before riding back to the lodge for a magnificent dinner.

DATES ARE MARCH 25 - APRIL 1 OR APRIL 2-9

FIVE AND EIGHT DAY PACKAGES AVAILABLE STARTING AT € 2000
